

## IMPORTANT SAFETY NOTICE

**Recall to Inspect Certain Freestanding and Slide-In Ranges  
Sold Under Danby Products Limited**

Location of model and serial number label  
(electric range)

Location of model and serial number label  
(gas range)

**Hazard:** The ranges could become unstable and tip over if a heavy weight is placed on an open oven door, posing a risk of death or burns from spilling hot food or liquids.

**Recalled Product:** This recall involves freestanding and slide-in ranges manufactured between May and June 2021 and sold by Danby Products Limited. The units come in white, black, and other finish colors. The model number is located on the oven frame or under the electric stovetop, visible after opening the door or lifting the stovetop. Only units with the attached model and serial numbers are included in the recall.

Only ranges with the following model and serial numbers are included in this recall.

Model Number	UPC	Serial Range		Description	Location
